Dear Del:

Now that I've had the time to put out some of the "fires" at work and on the home front, it's allowed me the opportunity to reflect on our recent spring bear hunt with you.

Del, my bear hunt with you was undoubtedly one of the best hunts that I've ever had! I have had the opportunity to hunt in Alaska, British Columbia, Colorado, Saskatchewan, Idaho, Wyoming and of course Montana. I have never been in a better camp, had better food or a better Guide. You are a bear hunter's "Hunter". Who would have thought it possible for two hunters to take four really nice bears in two days of hunting?

Del, I have made up my mind that I will definitely hunt with you again. You have a first class operation. Should you find yourself in western Montana, I want you to know that you are always welcome in my "camp". Please tell that great crew of yours that I am wishing them the very best.

Respectfully submitted,

James L. Dunn
